FOR PHOTOGRAPHERS

Your first walk

01 **Find an event**

Choose a city in Discover. Check the schedule and meeting point, then tap Open in Maps for directions.

02 **Save your spot**

Create an account or sign in, then tap Register. Find the events you've joined under My events.

03 **Bring what you shoot with**

A phone is enough. Come curious, walk with the group, and photograph whatever catches your eye.

Entering a photo contest?

Register first. Submit JPEG or PNG photos up to 10 MB each during the entry window. Check the event page for results.

Find events near you

FOR ORGANIZERS AND JUDGES

Bring people together.

Host a photowalk or contest

Apply on Pitik, then message DMD with your Pitik email and what you'd like to host. Photowalk and contest approvals are separate.

Set a meeting point, add a banner, and manage registrations. For contests, set entry rules, invite judges, and publish the winner when you end the contest.

Apply to organize | **Message DMD**

Invited to judge?

Open the invitation and sign in with the email the organizer invited. Use their criteria to score entries. Save a draft as you go, then submit your final scores.
